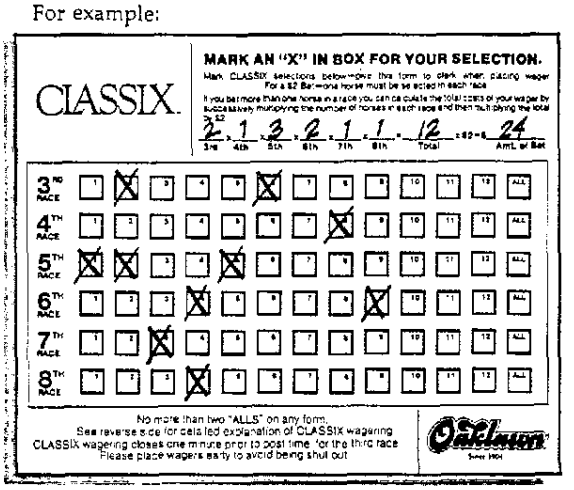
UNDERSTANDING CLASSIX™

The CLASSIX is a pari-mutuel pool. It is not a parlay and has no connection with any other win, place and show pool conducted by Oaklawn.

It's easy to play the CLASSIX. Just look for the green CLASSIX boxes located throughout the mutuel areas. Pick up a CLASSIX wagering sheet.

For example:



Just mark an "X" in the box with the number of the horse you pick in each of the six races, as we've done above. Or you can choose all the horses in a race by marking that box. Then give this form to the seller at any window. A $2 wager lets you select six horses.

If you want to wager on more than one horse in a race, you can calculate the cost of your wager with the simple formula on the form.

Make your CLASSIX wagers prior to one minute before the third race starts. Then sit back and enjoy the fun.

CLASSIX players who pick all six winners divide the major share of the net pool—75%, plus any CLASSIX pool money not won in the preceeding day or days. That's the carryover.

People who correctly pick the next highest number of winners, less than six, divide the minor share of that day's net pool—25%.

If no one wins the CLASSIX major share on any given day, the pool is carried over and added to the next day's major pool. But the minor share will be awarded EVERY DAY.

A complete copy of the CLASSIX rules can be found on the back of CLASSIX wagering forms located throughout the mutuel areas.
